Fauji Cement Company Limited

ADDENDUM TO THE PUBLIC ANNOUNCEMENT OF INTENTION TO ACQUIRE SHARES AND JOINT CONTROL OF ATTOCK CEMENT PAKISTAN LIMITED (THE “TARGET COMPANY”) BY FAUJI CEMENT COMPANY LIMITED (“FFCL”) AND KOT ADDU POWER COMPANY LIMITED (“KAPCO”) (“ACQUIRERS”) UNDER THE SECURITIES ACT, 2015

Kot Addu Power Company Limited

This Addendum covers changes to the Public Announcement of Intention issued by Kot Addu Power Company Limited and Fauji Foundation on 03 June 2025 to acquire 84.06% shareholding and joint control of the Target Company. Due to a change in one of the acquirers, Fauji Foundation to Fauji Cement Company Limited, we are reproducing the changes to the original Public Announcement of Intention below. All other details including details of the Target Company remain unchanged.

Admonishment: Please note that the public announcement of intention to acquire voting shares/control of the “Attock Cement Pakistan Limited” is subject to obtaining the requisite regulatory approvals where required. The public announcement of intention may be withdrawn, if the requisite approvals are not granted by the concerned regulatory authority(ies).

PART A

BRIEF DESCRIPTION OF THE INTENDED ACQUISITION

Kot Addu Power Company Limited and Fauji Cement Company Limited (together referred to as “Acquirers”) intend to acquire 84.06% shareholding and joint control of the Target Company. The Public Offer, if at all shall be made in accordance with the Listed Companies (Substantial Acquisition of Voting Shares and Takeover) Regulations, 2017 (the “Regulations”)

| Intended Acquisition through   | Acquirers                         | No. of Shares                                    | Percentage                                                                                                   |
|--------------------------------|-----------------------------------|--------------------------------------------------|--------------------------------------------------------------------------------------------------------------|
| Share Purchase Agreement (SPA) | 1. Fauji Cement Company Limited   | 57,763,175 ordinary shares of the Target Company | 42.03% of the paid-up share capital of the Target Company                                                    |
|                                | 2. Kot Addu Power Company Limited | 57,763,174 ordinary shares of the Target Company | 42.03% of the paid-up share capital of the Target Company                                                    |
| Public Offer                   | 1. Fauji Cement Company Limited   | Not determinable at this stage                   | To be determined in accordance with the Regulations and after finalization of due diligence and Agreement(s) |

| Fauji Cement Company Limited   | The principal activity of the Company is manufacturing and sale of different types of cement and tile bond.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Kot Addu Power Company Limited | The Company was listed on April 18, 2005 on Pakistan Stock Exchange Limited. The principal activities of the Company are to own, operate and maintain a multi-fuel fired power station with fifteen generating units with a nameplate capacity of 1,600 MW in Kot Addu, District Muzaffargarh, Punjab, Pakistan and to sell the electricity produced therefrom to a single customer, Pakistan Water and Power Development Authority (WAPDA) under a Power Purchase Agreement (PPA) which was initially for a period of 25 years. WAPDA irrevocably transferred all of its rights, obligations and liabilities under the PPA to Central Power Purchasing Agency Guarantee Limited (CPPA-G) (Power Purchaser) thereunder via Novation Agreement which became effective on May 21, 2021 after approval from the relevant authorities. The PPA was extended by 16 months from June 26, 2021 as part of the settlement of a liquidated damages dispute, pursuant to the terms of Master Agreement and the Third Amendment to the PPA, which expired on October 24, 2022.<br><br>The National Electric Power Regulatory Authority (“NEPRA”) approved a Provisional Tariff (application for Final Tariff Determination is still pending) for 500 MW (Block I and Block II) under Rule 4(7) of NEPRA Tariff (Standards and Procedure) Rules, 1998, through its tariff determination dated April 9, 2025. Thereafter, NEPRA vide letter dated May 19, 2025 addressed to the Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) (and inter alia copied to the Company) granted approval of the Tri-Partite Power Purchase Agreement (TPPA) between the CPPA-G, the Company and National Grid Company of Pakistan Limited along with the schedules. The directions of NEPRA as stipulated in its letter dated May 19, 2025 are to be complied with for signing of the TPPA, which, inter alia, include the conduct of Initial Capacity Test (ICT) and the Heat Rate Test (HRT) for bench marking efficacy and an Independent Engineer is to evaluate and determine Simple Cycle Efficiency/Heat Rate numbers which are to be submitted before NEPRA along with ICT and HRT Reports and thereafter the TPPA will become effective for operations of the Power Plant. The TPPA is in process of signing off by the parties.<br><br>The Company has its Power Complex at Kot Addu (Muzaffargarh), a corporate office located in Lahore and registered office located in Islamabad. |
